

SUNSHINE GOLF - COURSE FINDER

There are two major roads along the Costa del Sol – A7P the Toll Road, and A7 (N.340) which is the major road, much of it running along the coast.

Directions will depend on where you are staying on the coast, most of the courses have direct access from the (N.340) A7 – and this road generally marks each kilometre with a red post, starting West in Cadiz to East of Malaga, we have marked wherever possible km no. The toll road is worth taking for some journeys to get around traffic, we will advise where this is so. If you have problems finding your course please give us a call on 952 494161 and we will help.
